Dear Hap, So sorry to hear of Norms passing. I worked with him for more years than I can remember and have many fond memories of our time together. He was always making me laugh with his stories. He was a great salesman and I hardly ever had to make him redo his paper work. haHa. We all especially enjoyed your cheese dip at our many potlucks held for no reason other than we enjoyed eating together. You gave me the recipe but yours always tasted better. He was always talking about you so we all got to know you even though we only met a few times. He will be missed in my memories of Brondes and our work together.

Jeri, my heart goes out to you and your family on your loss. Though many times this sentiment sounds trite and insincere, we do know he is in a better place in the hands of God! My heart felt sympathies.

So sorry to hear of Norman's passing. He was a classmate of mine in the Genoa schools until he moved to Perrysburg. In fact when we were in the 5th grade (I think) at Allen Central Elementary we were "boyfriend & girlfriend" for awhile. (At least on my end). I haven't seen Norman in years probably the last time was when he worked at Bob Schmidt's. He worked on a car of ours at one time. My heartfelt sympathy goes out to all of Norman's family.
