“ I met Mrs. Shifter a couple of years ago on Thanksgiving. My good friend (Liz Robles) invited me to have Thanksgiving with her family. She took me to meet her mom at an assisted living residency first before we headed to her sister's house where Thanksgiving was being held. Mrs. Shifter had the most sweetest smile! She had such a light around her, & I watched as her family interacted with her on Thanksgiving, they doted on her & included her in conversations. She wasn't ignored or "pushed aside" like I've seen other elderly loved ones get treated. It showed how much they loved her, & I imagined, that she showed just as much love to her family & others around her. My sincerest condolences to the Shifter/Fuller/Robles family, heaven has another beautiful Angel to watch over you
