

Arlene Mary Florian

March 27, 2021

Arlene (Petrie) Florian died peacefully at home on March 27, 2021. Here's a letter from her eight grateful children:

Dear Mom:

Thank you for your loving devotion to us, our spouses, your 15 grandchildren and 21 great grandchildren . . . and of course to Dad over the course of your 70 years together.

What a remarkable mother you were:

- changing 23,040 diapers
- preparing 54,750 meals
- attending 1085 basketball, volleyball and swimming contests

Through it all you modeled kindness, generosity, hospitality, elegance . . . and a penchant for fun!

Dad, the love of your life, died six weeks ago. Last weekend you told us, "I better hurry things up so I can join him," and now you're reunited in heaven.

Enjoy your reward of eternal sunshine, Mom, and just like you did when we were teenagers, keep the light on for us -- so we can find our way back home to you.

We love you!

Gary, Vicki, Janet, Jeanne, John, Jim, Tom and Jeff

“ Very sorry to hear of the passing of Arlene. While I am certain that this has been a very difficult year for all of you, I am also certain that she is happy to be reunited with Jack. You all were very fortunate to have had such loving, caring parents. Arlene always seemed to have the smile on her face, a delightful woman. May you find peace as you grieve your loss.

“ May she soar with her spouse and all the angels in heaven. John was my boss for years so I know what good parents he came from. May the family remember the blessings of the past.

“ I remember Mrs Florian as a lovely woman and very devoted and capable mother to her kids. I used to babysit Tom when she would take the other kids to Heatherdowns CC to swim. My sympathy to all the kids but especially to Vicki and the twins. Dianne (Siemens) Bolling.

“ How wonderful that they are together in Heaven. The thought of it is wonderful but the loss has to be tough as well.

My parents always enjoyed their company as your folks & many friends were as fun as could be. When I told my mom that your Dad had passed away, she told me stories of years and years ago. Building their home in Ragan Woods to all of the social gatherings, she said they were all fun and many laughs were heard.

My Mother & I send hugs to all of you.
