“ Dear Nancy, I was shocked to read of Dan's passing in the Honor of Life paper this past wknd, in the Blade. I don't get the paper and barely read the obituaries unless posted in the Sunday paper. I am truly sorry for the loss of a great friend of mine and your soulmate. Please forgive the fact that I didn't know of this, I would've been there for a hug or a shoulder to lean on. You two were such dear friends from so long ago. If I can still at this point do something for you, please don't hesitate to call me at 419 704 0029. This great man's legacy will live on in many hearts as he was a gentle giant in my book. Thanks for all the memories. Love and hugs to you, Dan and his family, and your extended family. Love you, Yvonne (Leduc) Hawkins and Ron.

“ Dear Nancy, I just stumbled on Dan's obituary. Gosh, I am so sorry for your loss! Dan was a great man! I remember you and Dan very well. My Mom, Marylyn Williamson (God Rest her Soul) and he worked at Welles-Bowen. I remember all of the fun stories my mom shared with me about Dan being so fun and always making someone laugh. I remember the Welles-Bowen picnics, and if it weren't for Dan, those picnics would have been really boring! Now Dan can continue his fun jokes/pranks and laughter in Heaven! I send you and the family my sincere condolences and prayers. Cathi Williamson-Cryan

“ Nancy, I am so sorry for your loss. When we meet a few times at Toledo clinic Marty and Dan both getting treatments, you were both so kind . Yesterday it was a year since Marty passed, and you both came to the funeral home. I wish I could be there tomorrow for you and your family, but a prior commitment is keeping me away. When you are ready, I would love to meet you for lunch. Take care of yourself Nancy, know that you are in my prayers. Mary Helen Williams

I bought so many of my cars from Dan- he was the epitome of True Gentleman, always made sure I got just that perfect car, and never was too busy to take calls- even came by to change key battery in my car keys when I could not figure out how to do it.
