“ Jane Hochmuth lit a candle in memory of Margie Lee Stapleton

“ I always enjoyed talking to Margie. She was a genuine, caring person who listened and was interested in what I had to say. She really loved her children and grandchildren. May your wonderful memories comfort you during this time.

“ Margie was sweetest, most loving person I've ever known. I never heard her say an unkind word about anyone. When I lost my own mother, she took over and treated me as one of her own children. She welcomed me into her heart when I fell in love with the son that she loved so much. It's heartbreaking that she had to bear the loss of both of her children. I'm so glad that she'll be laid to rest with her family on the side of that beautiful mountain in Kentucky. Oh how I wish that I could be there to see her off on her final journey. Rest In Peace, dear Margie.
