

Matthew Zavac

July 25, 1962 - December 13, 2020

Matthew J. Zavac, age 58 of Toledo, passed away peacefully in his sleep on December 13, 2020. He was born to Louis and Carol (Fosty) Zavac on July 25, 1962. He graduated from St. John's Jesuit High School, St. Louis University and he obtained his law degree from the University of Toledo. Matt loved all aspects of sports: playing, watching, coaching and refereeing. He was also a member of a Golf league and Pool league for a number of years. Matt never met a stranger, he was a people person whose laugh was infectious. When a subject interested Matt, he delved deeply into the nuts and bolts of the subject, whether it be the oil industry, politics, computers or the coronavirus, and as a result he was a tremendous conversationalist and very witty. Matt enjoyed lending a helping hand to anyone. He had a methodical perseverance and determination and was always the last one working on a project.

He was preceded in death by his parents, Lou and Carol and his loving dog, Ramses. He is survived by his siblings: Jeff (Nancy) Zavac, Gina (Ray) Okoroski, Becky (Fred) Braker, Joe (Amy) Zavac, Dave (Joanne) Zavac and his twin brother, Mike (Judy) Zavac. In addition, mourning his loss are many loving nieces and nephews. Elizabeth (Adam) Kolwicz, David (Angie) Zavac, Danny Okoroski, Christopher Zavac, Andrew (Katie) Zavac, Catie Braker, Kayla Zavac, Brittany Zavac, Maddie Zavac and great nephews Aidan and Mason Kolwicz and great niece, Annie Zavac.

Due to the pandemic, there will be no visitation or services at this time. A Memorial Mass and Celebration of Matt's Life will be held at a later date. In lieu of flowers, donations may be made to the Toledo Humane Society or UT Foundation - Satellites Fund, 2600133. Please view and sign our online "guest registry" at CoyleFuneralHome.com

“ Dear Zvac Family,

I read of Matt's passing in the St. Louis University publication Universitas. Matt was my first room mate at St. Louis University. I was from a small town in Missouri and didn't know anyone. Being Matt's roommate, it wasn't long before I knew just about everyone, including the president of the university at the time, Father Fitzgerald. Matt and I worked together as Maintenance Technicians at the brand new Recreation Center on campus. We were really just janitors but Maintenance Technicians sounded better. We started at 6:30 in the morning, which didn't work out so well. Some days we were just a little late for work and other days we would unplug our phone from the wall, so when our boss started calling us it wouldn't wake us up. Eventually we got dismissed. We weren't very upset about it since it was a horrible job and our boss was a jerk. Matt was a good student and really set a good example for me on how to study. He was a hard worker and always encouraged me to do my best. He loved to talk and listen to music. Bruce Springsteen was his favorite for sure. He knew a lot about sports and always talked about working on the grounds crew for the Toledo Mud Hens. Matt got me involved in many things including intramural sports, student government, and other activities I probably never would have participated in. He had an amazing three point shot. We lost touch for awhile after college and then wound up living just blocks from each other in the same neighborhood in Webster Groves. Our lives took us in different directions again and then one day we ran into each other in Clayton. It was like no time had passed at all. I always thought I would run into Matt again and we would continue our friendship. I'm sorry that day never came. Peace to you Matt, I know you are in Heaven. Your Kindness and friendship will never be forgotten.

“Dear Zvac & Okoroski Family,
We would like to offer our condolences to you and your family on the loss of our Dear Matt. We met Matt years ago through Gina. Gina and I worked together at Rogers HS.
Matt was always so kind and loving to my family and I. He never met a stranger. From the first time we met him, he always made us feel welcomed and loved. Each time we would visit the Zvac's home, Matt always told us stories about his dog Ramses and Ramses would be sitting right by his side. Matt will truly be missed by all who knew him.
Please know your family will continue to be in our thoughts and prayers.

“Mike and the Zvac family.
My heart aches hearing this sad news. I have so many fond memories growing up together though grade school at OLPH including lots of laughs, shenanigans, and character building moments. Matt could always talk his way out of trouble with the teachers. My deepest condolences and prayers for the whole family during this difficult time.

“ To my Zavac cousins and their families - Bets and I send our deep felt sympathy to all of you. While we are still in shock over Matt's sudden death, our wonderful memories of him will always live on. While my wife Bets describes all of my Zavac cousins as "enthusiastic souls who were born to party", Matt won the award for being consistently the most enthusiastic at the family weddings, family reunions, and all the wonderful Thanksgiving celebrations at Joe and Amy's Beverly home. And he was one of the kindest men I have ever known.
We will miss him dearly.

“ Deepest sympathies and condolences to Matt's family. Matt was a great person, neighbor, and friend. We are so saddened by his passing. He moved next door to us when my son, Carlito was about 12. Over the past few years, he and Carlito spent hours talking, about world events, movies, dogs, and golf. He made him feel like a person, not just a kid and was always so positive and encouraging. Matt was always ready to lend a hand or a kind word. He was never afraid to climb a ladder or be a test subject in a 7th-grade science fair project! His smile and chats at the fence will be missed.
With sad hearts,
Jennifer, Carlito, and Enzo

“ So many fond memories of Matt (and Mike) when I had them in the 7th grade at OLPH. Not just fond memories, but FUN memories. That class taught me a lot about how to deal with young students becoming teenagers and finding their place in relationships and social groups. We had fun and could laugh a lot! Matt was a hard worker and could easily put you at ease. My prayers to the Zvac family for comfort and peace as you mourn but also prayers for courage and faith as you forge ahead keeping Matt's spirit and energy alive within you. He was loved and God loves Matt also.

“ We are sorry for your loss. Matthew was an amazing lawyer and person. He was fair, funny and he sought fairness. May God wrap his loving arms around you each, and remember the good times together, as those will be with you always. May you each find peace in knowing that you will be rejoined at the time that God chooses.

“ I only met Matt once. Across the street from the main entrance to the downtown Toledo Public Library is an office building. In the office building there is a very small diner. It had to be 15 years ago when I went in there and Matt was sitting at the counter a couple of seats from me. I graduated from St. John's in 1974 and everyone knew saxophone playing Jeff. We talked for an hour and it was great. My deepest sympathies.

“ My deepest condolences go out to the Family for their loss. I have many fond memories of Matt through the years. One of many that comes to mind is when he and Kathy rode with us on one of our trips to go white water rafting in Virginia. We had many conversations on that trip as Matt was quite the conversationalist. May you find peace and comfort in legacy of memories of Matt. Hugs

“ Matt was more than just a friend...There was a group of us growing up who were more like brothers than anything. We all had the unique opportunity (Blessing) to not only be the best of friends when we were kids, but to share that love and friendship as we all grew older. I know I speak for so many of us when I say we truly lost someone who meant so much to so many. We were all so lucky to have had a friend like Matt in our lives. I can not begin to express how much I will miss my friend. My thoughts and prayers to the Zovac family.

“ Dear Zovac Family,

I was shocked and saddened to hear of Matt's passing. He was a dear friend from law school who was beloved by his classmates (UT Law 1988). I will always remember our beautiful conversations and his zest for life. When he was around, you knew you had a friend present. I had not seen him in years, but we all mourn his passing. Peace to your family.
