“ Norm was a mentor and a friend. Norm and Katie were our role models for how a happily married couple should live their lives with love and a sense of humor. One of my fondest memories is when they took me under their wings at a conference many miles from home. At the time, I was relatively new with the company and alone. They reached out to me to include me in their sightseeing and dinner activities. They made me feel like part of their family. Over the years, Linda has gotten to know their graciousness and truly caring attitude too. Norm will be sorely missed. Our thoughts and prayers are with Katie and your family.

“ I suspect Norm relished his position as patriarch of the Craig family. He was proud of all of you. One of my favorite quotes is by Joseph Campbell which says: “The privilege of a lifetime is being who you are.” Norm and Katie set a wonderful example of how life should be lived. Honor him by remembering the happy times you shared together. Thoughts and prayers to everyone,

“ We know that Norm is out of pain and free and at peace but he will be missed so much by all of us neighbors. Norm always, always had a sparkle in his eyes when you talked to him no matter how he was feeling! I absolutely adore him and Katie so much. Katie, if you need anything just hollar across the street! My heart is sad for we won't see him anymore, but thankful that he is at peace and in the arms of our Lord! Prayers for all who love him.
