“ Mr. McGurk, Jackie, Mike and Tony,  
My condolences with my deepest sympathy  
of the passing of Mrs. McGurk.

Growing up I have so many wonderful old neighborhood memories just filled with children running around everywhere. One summer memory I went on vacation with the family up to the cottage in Michigan. At night time I was scared and I wanted to go home. Mrs. McGurk comfort me as she allowed me to talk to my mom on the phone. I have not forgotten you Mr. McGurk the times as you and co-workers from AT&T came down to Little John's for lunch, my father's restaurant. Keeping the Family in my Thoughts and Prayers, God bless.

“ My deepest and heartfelt sorrow over Rosemary's passing, to you Jack, the boys and all of our family there. My fondest memories of her started from when I was just a small boy. Those vacation visits with all of you, especially at the lake house, are some of the most memorable I have with family. I will miss her terribly. All of our family wishes to convey our sympathy and love.

“ Do you have my deepest sympathy he. I am so sorry for your loss . I remember when I was young, Rosemary was the one who inspired me to become a nurse. I remember seeing those gorgeous pictures of her in a nurses uniform. She was so beautiful with her white uniform, nurse's cap, and that incredible navy blue cape with a red lining that they used to wear! She was amazing in every way!

“ I don't remember a time when we were not close. I will miss Rosemary for the rest of my life. She was always there for me. She saved my life when I was ill and I called her "my guardian angel." I love her so much and life will just not be the same. I am sure Rita, Tommy and Millie and Tony are taking care of her now and she is no longer in pain. Jesus has her in his arms.

“ Jack and Family, I am so sorry for your loss. I know Rosemary was a wonderful person. Remember when your Jack and our John were little guys and you came over to our house and we put the boys in our swimming pool. They were so cute. After we moved to Colorado we just didn't get to see each other often and for that I am sorry. Just know that I am saying prayers for all of you. You and my Jack were such great friends and I know Jack is up there with open arms to welcome Rosemary. God Bless You!
