Tony would not want us to be sad, but he would want us to celebrate his life of serving Christ. He had a huge personality, a huge heart and huge ambitions for all the parishes he served. He was a force that could not be contained and his impact will continue to ignite flames for a long time.

The family would like to thank Fr. Paul Schreiner, Lydia Ellinwood, Tina Abel, and ALL the staff and parishioners of St. Patrick of Heatherdowns for their support.

In lieu of flowers, family requests memorial donations in memory of Tony be made to St. Patrick of Heatherdowns, 4201 Heatherdowns Blvd., Toledo, OH 43614 or FCEDO, 93 E. Main St. Norwalk, Ohio 44857.

Fr. Tim Kummerer remembered Tony in this way "Tony was one of the best priest's ever...When I think of Tony...I think of Nathaniel in the scriptures...Jesus said, "There is no duplicity in him"... in other words; what you see is what you get...and that was Tony...he said it like it was...he was so authentic... He gave all of us the freedom to be who we were... without apology...and since grace, always builds on nature...he gave us permission to let God start with us, just exactly where we were....

Priests like Tony don't come around very often...you were lucky to have him...And he was lucky to have all of you...I hope you know how much he loved to work as a team...and how he saw the strength of the parish in the strong bonds of relationships between people...and he believed that a parish staff models life for the rest of the community."

Classmate Monsignor Michael Billian remembered Father Tony this way. "He lived his faith and his priesthood boldly with a fierce commitment to those who most needed a connection to Lord: the poor, the imprisoned, the lonely, especially the elderly the children, youth and young adults. Using the gifts, talents and personality the Lord gave him, he made Christ more present in the world."

“ Father Tony was a very compassionate and loving priest. When my best friend passed away I made the funeral arrangements with Fr. Tony. He was so caring and compassionate. I really didn't know him, but he surely showed love and compassion. I was so impressed with him. He made me laugh and of course, I cried but he helped me with caring. Even came to the funeral home and did an outstanding funeral for my best friend.
I think he was one of the best priests I have ever met in my life time. So sad that God took him away from us. Sure God had other plans for him.
To the family, so sorry for your loss. You have my deepest sympathy.
May you always cherish the fond memories of such a wonderful man.
God Bless You

“ It was amazing how Fr Tony could brighten your day with his smile and presence. He made our family want to be better people, and to carry the heart of Christ. He will forever be missed and loved dearly. His love was unconditional, and we will carry that love and instill that in others. Thank you For Tony for being a light in our lives.

“ Tony's family and mine were neighbors in Norwalk, as I grew up being friends with his sisters near my age. His cousin Shirley Skinn and I attended his ordination...it was an amazing ceremony that I still remember to this day. As Shirley shared with me when she told me what had happened to Tony, it made me reflect back on how amazing of a priest Tony has been. I have read so much in just a few days on how he affected so many. His role in my life was that he agreed to travel to southeast Indiana to perform my wedding ceremony 27 years ago, and then to visit my family in Cincinnati a few years back during a sabbatical he was taking. My sons got a glimpse that evening during dinner and a few games of Euchre to see how real and human Tony was, I'm just sad they did not get to experience him leading a mass or spinning a tale during his homily to talk about Tom or Pam or any number of his siblings. His spirit lives on forever, but we will certainly miss his big personality and even bigger laugh and smile. God bless Tony and the Borgia and Riedy families.

“ I was a parishioner at St. John's in Point Place when Father Tony was there. I thought he was one of the best priest's I had ever met. When my husband was dying, Fr. Tony came to the hospital and blessed him with holy oil and sat with me by my husband's bedside. I am very sad in his passing. He was a wonderful and kind human being. Rest in peace Father Tony.
