“ I am very sorry to hear of the loss of your mom, Phillip and Lyle. She and your dad were good friends with my parents, Mick & Rose, when you lived in Waterville. I know that was a long time ago, but I will always think fondly of those happy times and remember how your mom made me smile. We were so lucky to grow up with the friends and neighbors that we had, on our street. My mom and I used to keep in touch with your mom, through the years, until my mom passed away several years ago. My thoughts and prayers are with you and your family.

“ We are so sorry to hear that our good friend passed away, she always kept us on our toes with her spunkiness and always giving Brad a hard time in a good way, she's been in our lives for 8 1/2 years and loved her as our own grandmother. Chey misses talking with her on the phone and getting to see her. She will be loved and missed dearly... Prayers to her Sons and daughter in-law and family. Ty for sharing her with us.
