

## Alberto Hernandez Pedroza

December 10, 1953 - August 15, 2023

Alberto Hernandez-Pedroza unexpectedly left us on August 15, 2023. He is remembered for his charm and good looks which he was happy to acknowledge. He was proud of his accomplishments. Growing up in Mexico City, Mexico his father, Roberto Hernandez, was a police officer while his mother, Ysabel Pedroza, supported her family as a mother and with miscellaneous jobs. His father introduced him to what was to eventually become his career in hotel management. Alberto was a respected hotel manager, leaving an indelible mark on his field. His dedication and hard work continue to inspire those who had the privilege of knowing him.

He is survived by his daughter Teresa Trombley, her husband and two grandsons. He also leaves behind a circle of friends and colleagues who will always remember his warmth and generosity.

There are numerous friends, family and associates that guided, supported and were always there by God's will throughout his life that will be forever with him in love and fellowship.

Alberto loved the ocean and frequented Cozumel where family welcomed him. He discovered the art of Tai Chi and gained numerous friendships there.

Rest in peace, dear father. You will be profoundly missed and forever loved.

“ I had the privilege of working with you not only once but twice at two different hotels. First at the Wyndham and then again at the Park Inn. It makes sense to me now why you haven't returned the text at the holidays. Miss you.
