*When I little I remember Gram taking me to visit Aunt Alex and Uncle Harvey when they lived out in point place on the lake. I loved that house. I remember telling her growing up I was going to buy that house. Well by the time I was grown up it finally got sold out of the family. I have visited the house a time a two. The next memory I have of Aunt Alex was the family card games that sounds like world war 3. Say hi to my mom and Grams thanks. I love you and miss you. I really sorry I didn't see you when I was out there in July, I got sick.*
