“ Dear Dawn, Craig, and Beverly..I am deeply saddened by your loss. Al was a wonderful man. I remember many wonderful memories when I was younger coming over your home..going swimming..your father always had a smile on his face. I am praying God will comfort you during this difficult time.

“ My fondest memories of Uncle Al are of his & Aunt Bev’s visits to Texas during their “snowbird” years. They would visit my parents’ house and we would listen to my mom play guitar and sing while we snacked. I know it wasn’t always “on the way”, but each year they made it a point to spend a few days with us. I will always remember those winter visits and cherish Uncle Al’s travel tips.

“ The best godfather anyone could ever have! Uncle Al filled my life with so much love and laughter. Even these last few months his amazing wit and charm shined through. All my love to Aunt Bev and everyone in the family.

“ *One of my fondest memories of Dawn's dad was during his snowbirding years when they made their way back to Ohio and would stay with us at the house. He and I would enjoy time in the yard playing horseshoes after I got home from work. He had a knack for consistently winning what I would say was a close game! I know he kept the games close because I really wasn't very good. I did win a few games though and learned a lot from him. Those "lessons" are with each of us.*

Although he is not with us in a physical way today, his legacy and spirit lives on with each person that he touched in unique ways as a dad, father, husband, uncle, grandparent, friend, and many more. He will be missed greatly by everyone!!
