“ I have so many wonderful memories of Al both at work and playtime. We worked together at SCMH ED for several years. He was an excellent nurse for our patients and a conscientious mentor to many of his coworkers. It goes without saying how much fun he was to be around both at work and outside of the workplace, as well. I loved Al! It so hard to believe that he has left us. Much love and condolences to his home family and his work family!
