“ I remember spending many fond days at the Thielen home on Carver and how close our moms were. I remember sleepovers in Teresa's room and even going camping with you somewhere. Your mom was always very kind to me. I always thought it was so cool that you had brothers named Tom and Jerry and that Pat's initials spelled her name. Funny the things you remember. I remember your huge doll house Teresa and eating crab apples in your backyard and your basement was so interesting. I also remember being at your house when we heard that Walt Disney died. I can still picture the layout of your house and wondering why your dad was called Tubs when he clearly wasn't. I had planned on stopping by the funeral home last night after work and then forgot all about it until 8:30 last night. Teresa I don't know if you are still in the Toledo area, but I would love to reconnect with you. I can be reached via email at todakfamily@bex.net or on facebook as Pat Nicholas Todak. Many condolences from all the Nicholas Family. My thoughts and prayers are with you all. Pat Nicholas Todak
