“ I met a very vibrant Specialist(SPC) Amanda Rose while serving in the 15th Brigade Support Battalion (BSB) at then Fort Hood I was at the time Sergeant First Class(SFC) Rose. It was very nice to have another Rose in the unit, one not as thorny as me but I really enjoyed her personality. Whenever there was a confusion between SPC Rose and SFC Rose on paper, I would jokingly tell her to hurry up and change her last name and in a very short time she became Ramirez, of course not because of me. Amanda you will be missed by many, you left us too soon, but I trust that you're home in the arms of the Lord. Till Valhalla!
