“ Our deepest condolences to the entire family and our church family. We lost our dear Hermano (brother in Christ) and Grandpa. Our lives will never be the same. You have been an amazing Hermano and Grandpa to our church. Many of us don't have our grandpas and you became our grandpa to many. Hermano Andres was and will continue to be a pillar to our church. It is with great sadness that we say till we meet again. We know you are in a better place and know that if we follow the path you chose to follow we will meet again.

The Mendoza family will forever miss you. You graced us with your love, passion, wisdom, smiles and much more for over 13 years. That is simply something we can not thank you enough for or ever will we forget.

Heaven gained yet another angel. I hope you get a chance to hug my grandfather Luis and my grandmother Elena in heaven.

With love,

The Mendoza Family (Bayardo, Mariaelen, Guisselle, Karla, Ivonne, Ziggy, Durey and Baby Leah.)

“ Grandpa,

We called you that because you were the closest thing my sisters and I had to a loving grandpa. It wasn't just us either, it was all the youth at our church. That's how much you meant and how special you have been to us for the past 13+ years that you have been at the church with us. That is where your memory will forever live on with us.

You always put others before you, so selflessly. Always made time for the church and its members no matter how big or small the job. I personally will always miss sitting next to you at church and you poking fun at me when I would fall asleep. But most importantly, I will forever miss how you always had encouraging words for me, whether it was for my spiritual life or my career. For whatever reason, you always knew the right time and the right words to help pick me up. You were the best.

I miss you so much already, Grandpa. God knows we all do. The church will never be the same without you. Hope I can live a righteous life to make it to heaven and see you again one day. Please keep an eye out and check in on us from time to time. We'll keep one out for Bertita and the girls.

*Love you and miss you dearly,
Carlos Ismael Ruiz*

“ *My condolences to the family of Andres. Although he is now in his new home of Heaven, he will not be forgotten here on earth. May Jesus embrace you all with His loving arms as you remember and celebrate Andres' life legacy. Take hope from scripture that "to be absent from the body is to be present with the Lord".*
