“ *My beautiful sister Anna! She and I were the only 2 siblings left out of a family of 18! We were 10 years apart! We texted every day checking up on each other! We always ended with Holding tight! SISTERS STRONG! She taught me through texts how to crochet and knit! Such precious memories! Anna helped me as I went through the loss of my husband to cancer and my own medical issues! She was an encouragement to me! I love you always and forever Anna! Your babysister Ernestine (Ernie!) Nearhood*
