“ Hugs and prayers to the Lester Family. Grandma was the light and the rock of the family and I know she will be missed dearly. I loved sharing a birthday with her and celebrating her Surprise 90th Birthday with nearly the whole Family and gobs of friends! I consider myself lucky to have known her. Thinking of you all. Love, Hilary

“ *My sympathy to the Lester family. How wonderful that she was able to live a long life with her family. I remember coming to the house often to play with Judy & Peggy. Mrs. Lester always seemed to have everything under control which really impressed me since it was such a big family! Chores and sewing projects had to be completed for the day before the girls would be allowed to come out and play. I will never forgot the time my sister and I came to play but the girls were helping prepare potato salad. Mrs. Lester invited us in and as we sat at the kitchen table, she looked at us, said "well you might as well help" and handed us each a paring knife. I was so surprised that I think I probably didn't say anything, just got to work! I also remember her chatting with the next door neighbor through their open windows above the kitchen sink. Wishing all of you peace.*
