“ *Dr. Antonio Paat is an iconic figure in the Filipino group in Toledo. He's not only a doctor to many of us but also an adopted relative, friend, and a father figure. He's Manong Tony to many, including myself. His passing will create a big void in the Filipino Association and he will be greatly missed. He leaves a legacy of selfless dedication and service to all who've crossed his path especially being a doctor. Thank you Manong Tony for all you've done for us. May the angels carry you to the bosom of our Heavenly Father for an eternal life of peace and happiness.*

“ Dr. Paat was my family physician beginning when I was eighteen years old. I am still a patient of the Paat office (forty-nine years!) He was one of the most caring doctors that took time to know his patients. His caring manner will be missed. His legacy will live on through his children and grandchildren. May God comfort you at this time and the memories make you smile.

We wish to express our deep sympathy to Dorie and the Paat family upon the loss of their much loved husband and father. Dr. Paat was a man of character. His life was one of service and love for his family and his fellow man. He exemplified, in great measure, modesty , humor and kindness. He will be greatly missed.

“ *Dr. Tony Paat was a beloved, respected and excellent physician. Most of all he was a caring true friend to my family and those who knew him. Personally*

looked up to him and his loving wife, Doring, as the older siblings I never had.

Marissa said it well: We are not ready for you to leave us. But God wanted you home.

May his family be consoled by his exemplary life and the love he deserved from family, friends and colleagues. Rest in heavenly peace, Pareng Tony, until we meet again. 🙏❤️
