“ Sorry to hear about your sister.... my memory of her is when she would come for a visit Jon had to really do what she wanted him to do... it was time for him to do extra school work.. She wanted to help him and Jon would always say Aww but I don't want to do it... but he did... I believed she helped him a lot. I enjoyed the times she was there... a very nice person... I believe everyone looked forward to all of her visits. Fond memories of her and your mom.
