“ My prayers are sent to everyone in the Martin family, especially Mary Ann....what a spectacular example of what a family means. Thinking of Pete, I immediately see those sparkling eyes, warm smile and a sincere hug. He always made you feel so important. His love for Mary Ann was so obvious and you rarely saw one without the other. Now his children were also his other great loves. He was proud of each of them.

Although I did not see Pete or MaryAnn often throughout the many years that my husband, Bill, and I knew them, I will always have a special place in my heart for them. They took us under their wings, in their home and in their hearts when we had no family here. They made us feel welcome on holidays when we couldn't see our families. Yes, Pete, God is holding a special place in heaven for you as you continue to watch over your family. May you find the peace in your new home that you gave to everyone you touched.
