“ To Lisa, Jane & Rollie,
I have such good memories of the Friday nights we shared with their friends the Grells and Betty Hughes at the Maumee Elks; the times when Lisa did not use her ticket to the Rep Theater and they would call me, and yes, even parties at my house or drinks at the patio bar with Harold Lincoln. I am sure they are all having a party again. I am sorry for you lose, but she did have a good life.

“ Dear Fultons,
I have such wonderful memories of your Mom and Dad as they were such close friends of my parents, Waldo and Mary K. Mom always said your Mom was the sister she never had and Dad, who was a man of few words (except at the monthly Supper Club potlucks!) broke down and wept when your Dad passed away. Both your parents were such a wonderful part of my life growing up - they were our extended family. I wish you all peace, knowing that your parents have once again been reunited and that they are joined by their "gang" that loved them so very much. You parents were exceptional and special friends, how blessed you all were to call them Mom and Dad.
With my deepest sympathy,
Sally (Schauweker) Frazier
