“ *Dear Beth, Karen and Margaret,*

What happy happy memories of you all and your Mum and Dad. Hopewell was a special place, noon balloons, the best baby sitters, incredible pumpkins..I'll never forget Prince Charles!! Bats flying in the attic and rescue's by ladder of our naughty boys locked in the bedroom!! We cherish the memories of your wonderful parents and send you our love and sympathy.

“ Margaret and family, I too am sorry for YOUR loss. We had two of the best Mothers around. I hope you find strength in the wonderful years, memories and times you enjoyed with your Mom. I remember her being a witty and fun woman; much like mine. I hope they can share some memories while up in heaven. With Love, Connie Hodes

“ Dear Beth, Margaret, Karen and Family, So sorry to learn of the loss of your dear Mom. I have to think Charlie Gunther welcomes her with all his heart. He spoke of her so often in my conversations with him, and of the "little women' as well. Cherish the memories you have of her and both of them together. Sincerely, Diana Attie

“ Dear Beth, Karen & Margaret, My sympathy to you and your family for your loss of your Mom. I didn't know your Mom, but knew your Dad from the Toledo Art Museum. He was a friend of my Dad who I just also lost the end of December. It is a sad time to go through losing a parent. May you have love and friends to surround you as you go through this time. Take care, Beth Brower Weiland (also from PiPhi)
