“ *Bobbie was one of those people that when you met them, your instantly drawn to their smile and friendliness. We met Ben and Bobbie at church and quickly became the best of friends. First it was meeting for dinner at our local restaurants then Bobbie and I shared our passion for garage sales. It was always fun to be with her. Even when her health started failing her and it was hard for her to walk, it never stopped her from going out. She was an amazing person to have in our life. She loved her Ben and family and she will be deeply missed by all that knew her. Rest In Peace Bobbie.*
