“ *To the Flahie family,*

I have known you all of my life. Your family has been part of me as I grew up. I remember your mom having us over for Thanksgiving many times as our family was not in town. You children were much older than me, but you never made me feel like the little sister that was in the way when I would tag along with my mom on visits to your house. Sharon always hung with me which made me feel welcome. I'm so sorry for your loss. I know that Jerry and Bernie are once again joined in Heaven, but I know that they are truly missed here on Earth. Prayers to all of you. Love and hugs, Shawn Badik (Clark) and family.

“ To the Flahie family,

I am very sorry for your loss of such a special person. Over the past 50 years plus I watched her care and nurture her family with a pure heart. It was always obvious to me the great joy you all provided her - I hope this brings you some solace during this difficult time. You may recall that I lost my own Mom at a very young age. Your Mom seemed to always be aware of that and took extra steps to make feel welcome in your home and that continued when ever I saw her over the years - and for that I will be eternally thankful.

She will always have a special place in my heart.

Go with God Bernetta
