Laying in her bed while she tells us
her childhood stories;

Never ending perfect days
without any worries.

Making us laugh was her specialty;

and all those long summer evenings
drinking coffee.

She taught us so much
about life's ups and downs;

And we will always long for her to be around.

Every precious moment we had
we will always treasure.

In our thoughts and our hearts
she will be here forever;

Although she left us for now;
We know for sure we will see her again.

With Love from all of your grand babies.
