“ On behalf of myself and the Alpha Epsilon Chapter of Delta Kappa Gamma, I want to express our condolences. Beth was a great & dedicated contributor to education and a lively member of our chapter. We were grateful to have been able to spend her last few birthdays with her. We missed her at our last meeting, as we had hoped to celebrate her 101st birthday. She was an amazing lady! We would like to honor her with our chapter's red rose. I hope that we will be able to connect with the family... Darlene Limmer
