“ There are a few people in most lives that make a huge difference. Tom and Brenda Solon have meant so much to Vicki and me over the years. Tom was my boss at OCF for many years and I worked with him from 1971 until he retired from my board of directors in 2003, when I sold my company. He was a mentor, teacher, supporter, confidant and good friend. Brenda was by his side the entire time and she was a hoot! We had tremendous travel experiences with Brenda and Tom, from trips to Hawaii, to our villa in Cabo San Lucas, to sailing the British Virgin Islands for a week to celebrate Vicki's 50th birthday with family and friends. Brenda always kept us laughing and having a good time. She was funny and caring and shared her thoughts honestly and openly. She will be missed by all who knew her. We pray that her journey to the Father will result in an eternity of peace, comfort and love. God Bless the Solon Family. Jud and Vicki Smith
