

## Carl "Butch" Smella

October 6, 1939 - November 22, 2015

Carlisle "Carl" "Butch" Joseph Smella

Carl was born in Bucyrus, Ohio on October 6, 1939 to Margaret (Teynor) and Martin Smella. He had two sisters, Barbara and Mary and a brother Martin "Tom". Carl proudly served in the United States Marine Corps from 1958 to 1962. He retired from AP Parts of Toledo in 2001 where he worked as a welder.

For Carl and his wife Marjory, there were never enough conversations over coffee or time spent together. His family included daughter Joani and sons Martin and Steven (Samantha) as well as grandchildren Kimberly, Nicholas, Kyle, Tyler, Ethan, Elizabeth and great-grandson Mitchel. He also enjoyed his wife's extended family.

As a friend of Bill W., Carl's life was one of love and service to new comers and to the fellowship for over 32 years. The spiritual foundation he forged filled him with deep meaning and gratitude.

He and his wife were extremely grateful for the support of family, friends and medical professionals who helped during his recent health challenges until his peaceful passing on November 22, 2015. They request that any donations be made to Angels Landing Spiritual Center or to the charity of your choice.

Visitation will be held on Saturday, November 28 from 1-6 p.m. at the Coyle Funeral Home, 1770 S. Reynolds Rd. Toledo, Ohio. The funeral ceremony will be held on Sunday, November 29 at 3 p.m. at Coyle, with a visitation beforehand from 1-3.

Please view Carl's video tribute and leave a condolence message for the family at [CoyleFuneralHome.com](http://CoyleFuneralHome.com).

“ To the family of Carlisle Smella: I'm so sorry to read of your loss of your loving husband, father, grand-father, and great grand-father. My name is Patrick Teynor, grandson of George Louis Teynor Sr., who was the brother of Martin Teynor. I hope the good memories, and his examples carry all of you through this time of sorrow, and lead you in your future and are passed on to his future generations. I have been working on the Teynor family tree for about 10 years or so now. I had found his address on-line and had planed to try and visit him in the future, but I guess time doesn't hold still for anyone. If at sometime in the future you would like to visit my Ancestry site I'll give you my pass word and maybe you could add to it. Once again my prayers and thoughts will be with you and your family.

“ I only have found and respectful memories of Carl. He was dedicated to his family, friends, program and higher power. Great man that will be missed by many. 10 minutes before I got the news when I was on my way to the club, the person riding with me said: We should see Carl when we get there. I said: Oh, I bet he will be there. Little did we know. :( I've no doubt that he is talking with Bill W. and Dr. Bob S. and their wives and enjoying the rest of eternity. Until we meet again my friend, you will remain in my thoughts and heart. Condolences to Margi and the rest of the family. I will be seeing you at the memorial.
