

Carol Ann Cousino

July 3, 1945 - September 9, 2018

Carol Williams Moritz Cousino

Carol was born in Port Clinton, Ohio on July 31, 1945, and passed away peacefully on September 9, 2018. She was the second child of James and Dorothy (Price) Williams. Carol grew up in Oak Harbor and graduated from Oak Harbor High School where she made many long life friends. She played Clarinet in the band.

She is survived by her husband of 24 years, Forrest Cousino; her brother Ron and his wife Linda Williams and their two children Scott and Holly. Carol has two children Aron and Kelly Moritz, grandchildren Sean, Cassidy and Wilson, and a great granddaughter Aleah.

Carol always felt her greatest calling was to be a homemaker. She enjoyed sewing, knitting, quilting, cooking and gardening. She preferred books to watching TV unless it was to watch a game of one of her favorite teams, the Steelers or Portland Trailblazers. Carol loved to travel with her family and she shared dream vacations across the country that will forever be happy memories for her travel companions.

She loved the Lord, her church and her bible study group. She created many close friendships with neighbors and those in her crafting, bible and exercise groups. Carol's last weeks and days were spent at home in Hospice care and with family, friends and her daughter at her side. This brought her great peace and comfort.

Carol prayed every day for her family and always put others' needs ahead of

her own. Her words and letters were caring and well thought out. She did not enjoy attention but was able to provide support and compassion to those in need. Carol leaves behind a legacy as a loving daughter, sister, wife, mother, grandmother, great grandmother, and always loyal friend. Carol was a gift to all who knew her and she will be cherished and celebrated forever in the hearts of those her life touched.

“ I have many special memories of Carol when we were in the Piecemakers Quilting group together at Dayspring. We also attended a quilting retreat together and afterwards she took me to see her wonderful sewing room and the closet full of all the beautiful quilts she had made. She inspired me to start making quilts for our daughters and grandchildren. How blessed her family will be to have all those quilts to remind them of her love for each of them. May God comfort all who loved her so much.

“ There are things that we don't want to happen but have to accept, things we don't want to know but have to learn, and people we can't live without but have to let go.”
She will always be in our hearts.
