“ I have fond memories of Carol and am saddened at her passing. I can remember family get togethers as a child and I would see her frequently at UT during registration back in my college years. Obviously, I lost track of her, as I am just getting word now, but will always remember her as kind and warm.

“ *The Prayer of St. Francis*

*Lord, make me an instrument of your peace.
Where there is hatred, let me sow love;
where there is injury,pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
and where there is sadness, joy.*

*O Divine Master, grant that I may not so much seek
to be consoled as to console;
to be understood as to understand;to be loved as to love.
For it is in giving that we receive;
it is in pardoning that we are pardoned;
and it is in dying that we are born to eternal life. Amen*

I love you!

“ *Bill and Family,
We have such warm memories of Carol at St. Mary on the Lake Catholic Church. Bill, your devotion to, and care of Carol has been heartwarming. Your love for each other was so evident. We enjoyed visiting with you both at church and at your home. God has another saint in heaven. We will miss her.
Blessings and Love,

“ *When tomorrow starts without me and I'm not there to see
If the sun should rise and find your eyes all filled with tears for me.
I wish so much you wouldn't cry the way you did today
while thinking of the many things we didn't get to say.
I know how much you love me as much as I love you
And each time that you think of me I know you'll miss me too.
But when tomorrow starts without me please try to understand
That an angel came and called my name and took me by the hand.
And said my place was ready in heaven far above
And that I'd have to leave behind all those I dearly love.
But when I walked through heaven's gates I felt so much at home
When God looked down and smiled at me from His great golden
throne
He said "This is eternity and all I've promised you
For life on earth is past but here it starts anew.
"I promise no tomorrow for today will always last
And since each day's the same way there's no longing for the past."
So when tomorrow starts without me don't think we're far apart
For every time you think of me I'm right here in your heart.

Our prayers are with you, Peggy.
