“ Angie, so sorry for your loss. In my experience, there isn't really anything anyone can say to ease your pain. When my mother died, a friend recommended the the book "we are thier heaven" (it's at the library), it helped me tremendously. Know that you are in my thoughts and prayers and consider yourself hugged.

“ Angie, I know all too well, losing your Mom changes you. I'm here to say it never stops hurting but over time you'll remember more of the wonderful parts and think less of the pain but forever you feel her over your shoulder, imagining her prodding you on to doing things she would've done and you would never do, but ya know, you just smile, and do it : ) love and peace be with you <3##imported-begin##tammy jagielski-thomas (miller)##imported-end##
