“ Carolyn was a very dedicated, kind and patient operating room nurse. She really knew her stuff. We would always have a minute to chat while setting up our case she would sometimes mention her dog Daisy and ask about my kids too. She was very nice to work with! R.I.P. Carolyn, Therese

“ I am so very sorry about the passing of Carolyn. We were good friends when she worked as a surgical nurse at the former Medical College of Ohio and I was a secretary in the neurosurgery academic office. She and her family were always so hospitable and kind and I always loved visiting Carolyn and her parents at their home. She was a good friend and a thoroughly nice person.
