“ Dear Comeaux Family and Friends,  
I wasn't privileged with the remarkable acquaintance of Mrs. Comeaux as you were, but it saddens me to read of your loss. Please accept my family's sincerest condolences. It brings comfort to many to know that The Almighty God and Creator promises us in The Bible that soon death, mourning, outcry, and pain, will be no more. May you have peace.

“ To My Dearest Aunt,

To me our time together was way too short but really meaningful. You were my strong force through some really tough times and you could always hold a secret. I will always cherish our memories and that is what will get me through this difficult time. All this was so unexpected but I know God has his plan. You are in a better place and with everyone we love so much. When I think of love I think of you. OMGAAWWWWWD I love you to the moon and back!!! To the sweetest Auntie anyone could ask for. You'll always be in my heart. Death brings a heartache no one can heal but love gives you memories no one can steal.  
Sweet dreams, Leslie!
