“ I was privileged to know Cathy as a fellow employee and friend for many years. She had a kind heart and was always the first to acknowledge a birthday or special event in someone's life. While there are many memories of Cathy over the years, the ones I remember most are how her face lit up each time her grandson Caleb came through the door. She will be missed.##imported-begin##Steve Welty##imported-end##

“ *Tiff, Bud & Jim:*

*It is with a heavy heart that I write this, as I am shocked and saddened to hear of your Moms passing. She was always like a second mother to me and Lori growing up, and your home was always our \*home away from home\*. We never felt like just your babysitters...thanks to your wonderful parents who always included us in vacations and weekend trips, you all were like family. I have wonderful memories of craft shows, soap operas, shopping, sitting on the porch, going to the drive ins.etc. If you ever want or need an old babysitter to listen or talk with...Lori and myself would be honored!!*

*We LOVE you ALL so very much!!! {hugs}###imported-begin##Carrie Hunt Sautter mommy2.shelby@yahoo.com###imported-end##*

“ Dearest Chris, Tiffany and family,  
I am so sad for the loss of your mother. She was a sweet soul and I enjoyed her company while I lived with mom and dad. We used to have drinks by the pool on hot summer nights when Jimmie was away. She treated Jimmie like a grandchild. I could often find him upstairs "visiting" Miss Cathy. She never seemed to grow tired of his visits. Our lives are forever changed for having known her. May your memories bring you comfort through the difficult days ahead.

God Speed Miss Cathy

All our love,
