

Cathy Wilson

July 29, 1948 - April 17, 2020

Cathy Wilson was called home on April 17, 2020, after a long battle with cancer. She was born in Toledo, Ohio to Charles and Veronica Krumeich on July 29, 1948 and was a long resident of the area. She was a proud graduate of St. Ursula Academy class of 1966 and then spent the next 30 years working for AT&T. After retirement, she launched a second career at Flower Hospital that lasted 21 years until her illness forced her to into retirement. She is survived and will be sorely missed by her husband, Bob; sons, Chris and Mike (Angie) along with her granddaughter Riley and grandson Jake. She is also survived by her brother Kenny Krumeich and sister Barb Krumeich. Also surviving are many nieces nephews and cousins that she loved dearly. But Cathy's life was not only about work and family. Her life was about friends. While some people accumulate things during their lifetime, Cathy's life was about friends. She started accumulating friends for life when she was in grade school, then through her high school years and work life. She was drawn to people and they were drawn to her. And that was who Cathy was, a true friend who would always do anything for any one. And her friends were always there for her as well. She lived a full and happy life with her friends and family. She had so many friends that it would be unfair to name them because the list would be so long and I would hate to forget anyone. Each of you need to know how important you were in her life. Cathy's family wants you all to know how very grateful we are to all of you for bringing such joy to her life. We would like to thank Dr. Richard Paat, Dr. Bradley Sachs, and special

chemo nurse, Wendy Scheid for all their loving care and assistance during her long fight.

Because we are living in this time of great health challenges, services for Cathy will be private but there will be a celebration of her life scheduled at a future date.

Memorials may take the form of contributions to St. Patrick of Heatherdowns Church. Please view and sign our online "guest registry" at CoyleFuneralHome.com

“ I was in Cathy's class at SUA. She was a friend to all and always had a smile on her face. To her family and friends this quote from St. John "Those whom we know and love are no longer where they once were, they are now everywhere we are". Carry on her spirit!

“ To Bob, Mike and family,
Ran into Cathy sometime ago at the grocery store. Had been quite a long time since I'd seen her. Mike and our son, John played basketball together in school. We talked and caught up on our families. I had no idea that she had been ill. It was nice to see her again.

We are so sorry for your loss and will remember Cathy with fondness.

“ We are so sorry for your loss. Larry and I grew up together with Cathy. As a matter of fact she used to babysit me, then when I went to work for OBT, she was there. One of my first bosses. We both have fond memories and may your memories help you in easing your pain. May Cathy RIH.

“ I knew Cathy my entire life. She and my older sister Ellen were best friends since I can remember. From Monopoly games on the front porch on Broadway as kids, through their retirement parties in later years, she was always there. May she rest in peace and perpetual light shine down upon her. Godspeed Cathy...

“ My condolences to Kenny & Barb. I have fondly thought of Cathy over the years. She was one of my first loves. Take Solace in the words of Jesus when He said that He was going to His Father's House to prepare a place for us. Cathy is basking in the Glory of her Lord!

“ I met Cathy through my brother Greg and his wife Nancy. Nearly every party they had, Cathy was there. There making us all smile and laugh. Always the life of the party. My love and prayers go out to her family and all the friends she touched. Life got darker today for all of us.

“Cathy was my cousin. She was 2 months younger than me and we shared our first and middle names. Needless, to say it caused a lot of confusion at family gatherings and my Mom wasn't happy with Aunt Ronnie for using the same name but it was our Maternal Great-Grandmother and our Grandmother's names.

When Cathy was 9 she lost her mother and our Grandmother moved in to help Uncle Chuck raise the three kids. Barbie was only two. After that, we spent almost every Sunday at their house because Grandma made a big Sunday dinner.

We spent many Sundays either running around the South Toledo neighborhood or at a Disney movie at the Paramount theater in downtown Toledo so Uncle Chuck could peacefully watch his football games. So we were all really close until our mother moved us to Florida when I was 14.

Cathy was the matriarch of her family and an anchor for all of us with her bubbly and upbeat personality and attitude. She helped raise her grandson Jacob "Jake" and was thrilled when her son Michael and his wife Angie made her a grandmother of a little girl, Riley.

Unfortunately, Cathy refused to fly and never got south to visit us but we kept in touch and we visited a couple times when Grandma was alive. But the last time I saw her was in 2008. She and Bob had a wonderful big family dinner when my sister, Chris, and I came north for our Aunt Beverly Krumeich's funeral. We got to meet so many of the family for the first time!

It will be awful hard for me to never hear her happy voice again and chat with her!

My deepest condolences go out to Bob, Mike, Angie and Riley and Christopher.

“ *Oh, Cathy! So many memories. Some TVs were swimming at your house and using the "pee" chair, going down the water slide without enough water (ouch), watching you and Bob together in your playful banter, you drinking margaritas with a pound of salt on the rim, you calling everyone honey, your hugs, and mostly your laugh, energy and love for everyone. You will be sorely missed by so many. Thank you for bring a part of my life. Love forever. -Sammy (Scott) Disbrow*
