“ Dear Kathy and Manjarrez Family,

*I am so terribly sorry to hear of the loss of your beloved mother. I read about it in the paper today and I felt immediately saddened by your loss as we have known each other for these past 10 + years. I cannot imagine how you must have felt when your mother finally left this earthly home to join her Lord and Savior and the loneliness you must feel without her nearby but I want you to know that you are in my thoughts and prayers at this difficult time.*

*Your mother was a wonderful and giving person and it showed in how she lived her life. I know you gave her the most happiness towards the end of her life and were it not for you and your generosity she would not have left this world in peace. You have been an amazing daughter to your mother and I know she appreciated you most for the wonderful memories you made together before she passed away.*

*I just wanted to extend my deepest sympathies for you and let you know that you have my support.*

*We (Chris Adams, Chris Jenkins, Brightis Crump, Laura Perkins and I) are all thinking about you and keeping you in our thoughts and prayers. I know you are a very strong and independent woman and we admire you very much for that. I hope that strength serves you now in your time of need. May you find peace and strength within you and from your loving family that surrounds you during this time.*

*We all send you our prayers in this time of loss.*
