“ When I say Charlell's name I begin to smile. Just saying her name makes me picture her lovely face with her warm smile, sparkling eyes and loving countenance. Chardell was a "joy" of a woman, and I treasure the times that I spent with her. When she joined us women at our birthday dinners, she lit up the table. She will certainly be missed.

“ Chardell , Chardell, Sweet Chardell. She was so nice to me when I first started at the AooA 5 years ago. She never talked down to me. If she did not know the answer, she would find it. Chardell's personality was calm, and refreshing she would turn a grey sky blue with just her smile. RIP Chardell you will be missed by so many!!

Chardell, the coffee grounds for plants, really work Thanks for the tip!!
