As one of Brooke's good friends I just want you all to know that you are in my prayers and thoughts as Mr. Neptune, grandpa, dad, husband, friend will be greatly missed. He was a wonderful man, and I know he did an extra special job in raising his daughter Brooke, as she is such a terrific and wonderful, hard working woman. “ All through high school I was best friends with Brooke. We hung out all the time and Mr. Neptune was always there for us. Whether, it was making sure we weren't hanging out with the wrong crowd, cheering us on at every sporting event that we participated in, or if we just sat and watched an Indians or Browns game with him. He will always remain in my memories, and him and his family are in my prayers. My deepest condolences to everyone who knew and loved Mr. Neptune.##imported-begin##Lauren Muller##imported-end##

“ Charles was my 1st cousin. His father and my mother were siblings. I remember Charles as "Sonny". We saw little of each other growing up and lost touch completely as adults. I remember him as a cute little boy, much loved by his parents.

I have done some geneology research on the Neptune and Stearns branches of the family and would happily provide you with the information if you like.

My sincere condolences to all of you, wife, children and grandchildren.
