“ Annie was not only an amazing mom she was my best friend. We shared laughs, tears, joys and sadness. To say that she will be missed is an understatement. Annie touched the lives of everyone she met. I always said, "once you met Annie you were family." She was a very strong and loving person. Although she left this world her memories and strength will forever be in our hearts.

“ *Annie wasn't my grandmother, but she was. Nothing stopped her from treating me as her own. She was so kind, so funny. She was a deep believer in her faith, and it was so admirable. I loved going to her house on Wednesday nights for game night. I could play games with her for hours. I will miss her so much but I am so happy she is no longer suffering. Rest in peace, sweetheart.*
