“ One Saturday night I was in a fight at a bar in Perrysburg. We were asked to leave and basically told to never come back. The next morning Uncle Mick called me and asked me what had happened. He told me he would take care of it. I'm not sure how he found out that fast or who he called, but I never had a problem getting in to that bar! He was a cool uncle.

“ Uncle Mick was a kind, thoughtful and hard working man. He was there for me when I needed him the most when my dad (Pete) passed away. I know that they're reunited again. He will be missed.
