*I just was curious about COYLES website and, Julie, I saw your THOUGHTFUL message. Its NEVER too late to say, Thank You!! Colin is loved AND missed MORE every single day we are without him. He passed away of a brain anyrisum that, well, could have been avoided had he not been at a, "friends" house. He was repeatedly punched in the face by this, "friend" everytime he would stop breathing. There is more to this Tragedy but, God has his ways of taking care of things. Thank You Again Julie!! Colleen Gray Milliron*
