

Colleen Forshey

March 16, 1988 - June 23, 2020

Colleen M. Forshey, age 32 of Toledo, passed away on June 23, 2020. She was born to Patrick and Mary (Bruning) Forshey on March 16, 1988. She attended Our Lady of Perpetual Help and Bowsher High School and graduated from Polly Fox Academy. Colleen succumbed to the scourge of addiction that she had been dealing with since her own father's death. Colleen had one of the greatest hearts and the kindest soul but she had a tortured soul as well. Her father, grandparents and many other friends will welcome her with open arms.

She was preceded in death by her father and her grandparents, John "Jack" and Beverly Forshey and Richard and Lois Bruning. She is survived by her loving mother, Mary Forshey; son, Ronald L. Jones, III; her son's father, Ronald Jones, Jr.; godparents, Joan Fuller and John "Biff" Forshey as well as many other aunts, uncles, cousins, family and dear friends.

Visitation and services will be private. Donations can be made to the family to help care for her son, Ronald. Please view and sign our online "guest registry" at CoyleFuneralHome.com

“ Mary as I told you in my text to you after hearing the sad news about Colleen is I just don't have any words! I'm so very sorry for this tragic loss and pain you, Ronnie and all that loved her are going through right now! I couldn't help but notice in your video what a beautiful young woman she was and how her eyes seemed to show her soul and light up the room! I remember rocking her up in her room while at your house years ago! Doesn't seem that long ago. Although I didn't have much contact with Colleen as she grew, I was friends with her on Facebook and always saw such pride and love when she posted about her son! A beautiful soul gone too soon! I can see Pat with his big smile hugging her when she arrived! Bob and I want to let you know we love you and are here for you!

“ When my daughters called to inform me of Colleen’s passing. My heart down right hurt to hear such news. To her family. Im so sorry for your loss. I was sitting here thinking of times Colleen would come down to the house as a kid (11 or 12 years old) looking for the girls Melissa, Felecia or Nikki. One couldn’t help but get caught up in her personality. She had this way of making you always laugh at jokes and smile at her one liners. It was always nice to have Colleen around. Something just wasn’t right when she wasn’t there. Having Colleen around was like, well she became part of the dynamic of the family. The little girl I will remember was the way she would tilt her head to the right and smile. Always standing there posing. Her way of saying to the world hay look at me. Well It worked. I remember Colleen. She has left us way to soon. But we will keep her memory alive every time we share a story about something she did or said. (She never shut up) so everyone should have plenty to share. She will remain in our hearts during our lifetime. I pray her sole is at piece and knows the love we have for her. Colleen will be missed. We all lost apart of us with her passing. Until we see her again someday GOD willing.

Thank you so much Ed for your great stories and memories of Colleen. I just connected with Missi on Facebook messenger and she was so supportive and comforting. You raised a great girl. We will miss Colleen and hold comfort that she is at peace now and in her dad’s loving arms.
