“ Dear Posas Family, Deepest heartfelt sympathy . Your mother made my wedding dress almost 45 years ago. I had taken a picture of a dress and bought the fabric and lace and she did a beautiful job. I was forever grateful for her patience and love. She really loved what she did and it always showed. Danny, Noe, Cindy and Julia may God's Love guide you through the days ahead.. Patty (Ward) Toy

Patty Ward Toy! Thanks for the memory. Mom did love to sew. I never got that passion. Everybody knew everybody in Bettsville, it sure was nice to hear from you.

“ Posas Family, I'm so sorry to hear of your Mom's passing. I had the opportunity to meet your Mom nearly 30 years ago as she sewed my sister's wedding gown. Many a night we spent at her little yellow house in Bettsville sewing beads onto that dress --- your mom, my mom, my sister Freda and me. I remember wondering why not go with more lace and less beads? In the end, the gown was beautiful. When I purchased my home in town, I would often call on your mom to help me with sewing projects. I have fond memories of visiting with her in her little yellow home. She spoke lovingly of all of you and especially her grandchildren. She also would show me her projects. She truly was a skilled / talented artist with a needle and thread. I still have some of her quality pieces in my home. In my mind, the little yellow home will forever be Connie's place, a place with fond memories for me. Praying you all find peace and comfort in happy memories, Annette Clinger

What wonderful memories. I remember she would talk fondly of you ladies. She was truly talented. We would call her inspector 12. She would inspect our sewing even if it was a button. She loved that little yellow house. She made that purchase on her own. Thank you for sharing.
