“ Dear Uncle Marion, Mike and John,  
Please accept our condeolences from West Michigan. As a little boy visiting you all in Toledo I learned one of my first big lessons about how this family takes care of each other from the example Aunt Connie set caring for her sons. Such a matter-of-fact devotion to whatever God gave her to deal with as well as her warmth to everyone who crossed her path. Look at all the comments about her warm smile!!

“ I was very saddened to read about Connie's passing. I met Connie when she lived in Salem, IL. I worked at a bank. From our very first meeting, I felt I had met a true friend....a special person who made you feel you had known her all her life. Very few people have that special gift. Though I have not seen Connie for many years.....I have never forgotten her and her beautiful smile. My deepest sympathy to Connie's family. I know you have lost a very special, wonderful lady. “ Hi Uncle Marion,  
I JUST LOVED Aunt Connie!!! She had the best laughter I ever have heard, and such a great attitude in life! I think you took such good and loving care of her too, and I know she had a great light inside her, and now she is with that Great Light and can look after you . Whenever the sun shines brightly, that is her smile for you.
