Michelle, I am saddened to hear of your son Daniel's passing. As all parents do I know you cared deeply for your child. I will always remember the way you responded one time when Daniel was a little boy and was having a tough day. The care, compassion and affection you displayed to your son seemed endless and your bond with him so deeply rooted. I remember saying to myself that I hope I am able to look upon my child(ren) with the same kind of grace, love and compassion when I am blessed to be a father and they have tough days.

I am so very sorry for the loss of your son. I pray that God would provide you peace and comfort as you and your family mourn for Daniel.

*With a saddened but hopeful heart,
God bless - Heath Dennis*
