“ I am very saddened to hear of your recent loss. Dan was very special to us in Taylorville. We will always remember the impact he had on our Center. He came to us as Trans Mgr and climbed his way to Operations Manager before he left to continue his career in Salisbury as their D.C. Manager. Dan would send me the Joke For The Day every day. He always thought they were quite funny. Me, not so much. LOL! He had quite a sense of humor and a smile that was contagious. I hope you can find peace in your memories.
