

Darleen F. Shepard

October 11, 1935 - June 21, 2021

Darleen (Lewandowski) Shepard

10-11-1935 - 6-21-21

A very special lady entered heaven on June 21st. Darleen passed peacefully after a protracted battle with cancer. Darleen was a proud mother, grandmother, den mother and an active member of her many communities. She found special comfort as a member of the Order of the Eastern Star and strived to live by their founder's code of Fidelity, Constancy, Loyalty, Faith and Love. For more than half her life Darleen cherished her special friendship with Bill. Darleen was a 1953 graduate of Libbey High School, and was especially proud of her graduation, as an adult, from Owens Community College, (then Owens Technical College) and the countless people she assisted through her work at MCO. She is survived by her son Ken (Debra Lee) Lewis and daughter Cyndi (Jack) Lewandowski-Sculfort, four grandchildren Eric (Courtney) Marcis, Sean (Brittany) O'Connor, Serena Lewis and Shane O'Connor and three great-grandchildren, McKenna, Reagan, and Myles that were the love and light of her life in her later years. Darleen was preceded in death by her mother and father, Lela and Leland Shepard and her brothers Jim and Robert. A reception to celebrate her life will be held at a later date. Those wishing to honor Darleen by a financial donation are encouraged to do so through a contribution to Hospice of NW Ohio. Arrangements handle by Coyle Funeral Home.

“ Our Mom was always there for us! If you wanted to know what was going on in politics, she was all knowing. Would call me (her son) if there was something I should be aware of on news, or she would send me articles to read to keep me informed.

Ken Lewis - June 27, 2021 at 08:36 PM

“ Darleen was a special lady and there was always laughter with her around.
she will always be with you in your hearts.
