“ Carol, I just found out today about Darryl. I am so sorry for your loss. I asked my dad Archie Riehle in Florida for your address to send you a sympathy card and he said he didn't have your address. I do not expect you to put it here but if you would send him and email or me jokeenan9@gmail.com I will then share with him. His wife Jo Ann is also trying to help us find an address for you. Once again I am so sorry this is so late but my prayers are with you and your family.

“ In many ways, Darryl was like a brother to me! We did many things together with the Knights and Catholic Vets. At our Thursday breakfasts, we solved the problems of the nation and shared some of life's funny experiences. I loved him and will miss him dearly. May he rest in peace. So long Comrade.
